

Examining Viewpoints Across Time Periods

1. What are the similarities and differences in the anti-suffrage viewpoints during disfranchisement (Newman) versus re-enfranchisement (Roberts)? How did the disavowing of polygamy, religious background, and/or gender influence the similarities and/or differences?

Similarities	Differences

2. What are the similarities and differences in the pro-suffrage viewpoints during disfranchisement (Wells) versus re-enfranchisement (Richards or Whitney)? Does polygamy, religious background, and/or gender influence seem to play a role in these viewpoints?

Similarities	Differences
